SPRAYING MATERIALS

We also represent the Graselli Chemical Company, one of the largest manufactures of Spraying Material for Orchards, and sell Arsenate of Lead and Lime Sulphur at market prices.

FISH

Fish for stocking your ponds, lakes and tanks. We are raising large numbers of Carp which we furnish in lots of one dozen or more. We have found this the best fish for the Plains. Write for Prices.

SHADE TREES

We make a specialty of supplying shade trees for public buildings, court house lawns, schools, churches and cemeteries and trustees and committees are requested to write for special price stating variety and quantity wanted. Good native grown shade trees are best for this rugged climate of West Texas and the Panhandle,

We have Forest Black Walnut, one of the best growing and useful shade trees on the Plains. Price 50c to \$3.00.

GARDEN PLANTS

We will have Garden Plants in season grown by an expert.

We make a Specialty of Rhubarb and Asparagus. Giant Crimson Winter Rhubarb at \$1.50 per dozen. Strawberry Rhubarb at \$1.50 per dozen. Colossal Asparagus, 50c per doz., 3 doz. \$1.00. Palmetto Asparagus same price.

Strawberry Plants: Spring bearers, \$1.50 per hundred. Everbearing \$2.50 per hundred.

Cabbage, Tomato, Sweet and Hot Pepper and Sweet Potato Plants in Season. Write for prices on these or send us your order. We aim to grow the best plants for the West. We do not compete with the cheaper grade of Plants. Prices Reasonable. Horse Radish, 60c per dozen.

TO OUR PATRONS

We hate to raise the price on Nursery Stock, but with the high cost of labor, packing material and other things, we are compelled to do it or quit the business. However, our prices are not any higher, or as high as other responsible Nurseries. With the effort and expense that we have made to produce trees adapted to the climate, trees that will beat the best, we think our trees are cheap.
